Subject: Parking Instructions for Hearing

Jerry Marlow, Chief of Security, has assisted me in making the following arrangements for your convenience during tomorrow evening's public hearing at Meridian Community College (MCC). As explained in my earlier message to you, the room location of the public hearing has been changed from Room 240 of the Health Center to the Ivy Sports Center's gym.

After turning onto the MCC campus at the stoplight on Highway 19, please park in the circle in front of the Ivy Sports Center (see attached map). The circle is only for handicapped parking, but Chief Marlow has requested that you park there and he will alert his staff that Commission members will be parking there. After parking, proceed into Ivy through the sliding glass doors to your right. Proceed to Campus Security, which will be to your right (office name will be on glass partition).

Campus Security will show you to a conference room where you can all meet and wait until the hearing begins at 7:00. You will enter and exit the gym from the conference room. The public will enter from another door. This arrangement should also assist you in leaving the public hearing. I plan on arriving at MCC at approximately 6:00 and I will probably be at the registration table when you arrive, but I will check the conference room to see if you need anything.

Please do not hesitate to contact me (601-359-2528) if you have any questions regarding these arrangements.
