SUBJECT: Allocation of FY 2001 Section 5307 Funds to Areas Under 200,000 in  
Population

Dear Mr. Franklin:

I am pleased to approve the attached allocation summary for Section 5307 funds for urbanized areas in Mississippi under 200,000 in population. The allocation summary has been prepared based on the apportionment listed in the Federal Register dated January 18, 2001. The Mississippi Department of Transportation (MDOT) has consulted with the affected Section 5307 providers and obtained their concurrence. All prior year carry-over funds will remain with the urbanized areas as previously allocated.

Please contact Marlin Collier in the MDOT Planning Division at 601-359-7685 if you have any questions regarding this matter. Thank you for your assistance.

Very truly yours,

RONNIE MUSGROVE
