Subject: Gov. Musgrove quote

Kelly,

It was a pleasure to speak with you. Here is the quote the Governor provided for us last year. As I prepare our Mississippi state release, I would look forward to inserting a quote from the Governor for this year.

Thanks,  
Jimmy

Quote from Gov. Ronnie Musgrove (D-Mississippi)

This is another indication that Mississippi is a national leader in education. These teachers have worked hard to reach the next level in their profession, and I'm proud of the effort they've made to achieve this goal. We must respond to the commitment these teachers have made with our own commitment to give them the tools they need in the classrooms.
