Thanks Lee Ann. May I insert the word "cumulative" prior to the word "number." I suggest that because Mississippi was 7th in 2003 placing it 6th overall.

Thanks,
Jimmy

p.s. Likewise -- I enjoyed working with you as well. Best of luck in future endeavors.

Jimmy,

Here's a quote for the Governor.

Thank you so much for your help. I have enjoyed working with you and I wish you and your organization continued success.

Quote from Gov. Ronnie Musgrove (D Mississippi)

with our ranking as sixth in the nation for the number of National Board Certified teachers, Mississippi continues to be a leader in education.

These 301 teachers have worked hard to enhance their skills, which will have a direct impact on the students in their classrooms. Students will benefit from their hard work and I'm proud of the effort they've made to achieve this certification.
