Subject: Gov. Interview w/ David Evans, Columnist for Commercial Dispatch  
Place:Ryan's Restaurant in Columbus

6/19/01 per letter from Shanon McMullan to Gov. w/ note attached from the Gov. to Jill & John Sewell to line up.

Shannon suggested to the Gov. that after speaking to the Gov.'s School in Columbus from 9-10, that it would be a good idea for the Gov. to do a couple of interviews with the local newspapers and television stations in the area.

I spoke with John and he knew about this and is contacting David Evans today to set up an interview at a restaurant or somewhere. Then he will get back with me.
