| 16) | Car Phone 3 Watt |             |  |

As soon as it is possible, we want to look at pooling the minutes for these accounts.

Also, we need the price on the organizer for the StarTAC.

I know that you will be able to help us out with prices on phones and minutes with an account this large.

Please get some prices back to us as soon as you can. We have told the other companies that we would like all quotes in by Monday.

Thanks,

Erich Howard
