
**OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM**

TO: GOVERNOR MUSGROVE

FROM: FELICIA GAVIN

RE: SB 2381 COMMENTS

DATE: MARCH 18, 2002

The Veterans Home Purchase Board requested this special funds deficit to repair the collapsed retaining wall and erosion of the west-side parking lot at the Board's office building. The Board expects to recover all or part of these repair costs through litigation against the general contractor due to faulty construction.

I recommend signing the bill.
