Dear X:

The Delta Regional Authority has requested that the Governor's Office obtain a completed 2002 State of Mississippi Application for your project. Due to the use of rollover funds, this form is necessary for the Authority to expedite the approval process.

I have enclosed the necessary state application forms. Please complete these forms and return them to our office as soon as possible. Upon receipt of your completed application, we will immediately forward it to the Delta Regional Authority and request prompt consideration for your project.

Thank you for your assistance in this matter. If you have any questions, please feel free to contact our office.

Sincerely,
