Dear Pete:

I am writing to request that the Tallahatchie County Board of Supervisors' DRA project application in the amount of \$52,500.00 for the purpose of completing a transportation infrastructure project be funded out of Mississippi's rollover funds from previous grant years. The completion of this project is vital to the development of the transportation infrastructure in the Delta region.

I have enclosed the pre-application form for this project. Thank you for your attention to this matter. If you have any questions regarding this project, please feel free to contact my Alternate, Armerita Tell.

Very truly yours,

RONNIE MUSGROVE
