
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: SMITH
SUBJECT: AARP
DATE: 8/14/02
CC: MAYO, KINNEY, RENICK, JUMPER

Mattie Stevens, Director of AARP, called this morning and wants an appointment with you to talk about the nursing home residents and tort reform. She said that their association just wants to make sure that the consumer's in the nursing home are protected too. She tried to get on the agenda to testify before the committee of legislators reviewing tort reform but no one was responsive to her request. She said they just want to talk to you briefly about their concerns.

Jill and I have put the meeting down tentatively at 8:30 on August 21, 2002 on your calendar. Would you like to do this?
