
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: SMITH
SUBJECT: NURSING TASK FORCE
DATE: 10/04/02
CC: LEE ANN

On September 12, 2002, Senators Dawkins and Williamson held a public hearing on the nursing shortage in Mississippi. They are requesting that you consider creating a task force. I have spoken with Betty Dixon and she said that it would be okay to have a task force if it raises awareness of the problem. She said she provided the attached names of proposed members for the task force. I also think it would be a good idea.

Would you like to create a formal Task Force to Address the Nursing Shortage in Mississippi through Executive Order?
