
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
SENIOR STAFF

FROM: RILEY

SUBJECT: DRAFT 1 OF FLAG REPORT

DATE 11/29/00

CC: FILE

Attached is Draft 1 of the Flag Commission's report. Basically, I wrote everything up to the "Conclusions" at the top of p. 4. Dr. David Sansing wrote everything after that on behalf of William Winter and the Committee on History and Heritage.

Winter appointed Dolphus Weary, Fran Ivy, Don Kilgore, Senator Chaney, Senator Frazier, Representative Holland and Representative Blackmon to serve with him on the committee to draft the Commission's report. I will be faxing them this draft this morning. He wants to have a conference call with them tomorrow afternoon (11/30) at 2:00 to receive their first comments and edits. **Please have your comments and edits to me by 12:00 tomorrow so that I can compile them for that 2:00 call.**

At Winter's request, I am mailing Chris Reid's design and the most recent "star design" to the Design Committee (Fran Ivy-Chair, Senator Frazier, Representative Jennings, Vanessa Long, and Jean Moore) this morning for them to review and decide on for the recommended design.

Thanks.
