- 2000 Completion of architectural plans and specifications for the restoration of the Centreville Museum (Marsalis Building)
- 1997 Restoration of the roof of the Marsalis Building
- 1992 Storefront facade restoration work

11. Claiborne County Certified on September 21, 1992

- 2008 Stabilization (Phase I) of the J. H. Lee Building (**Defaulted**)
- 2004 Repairs to the Chancery Courtroom in the Claiborne County Courthouse
- 1994 Facade restoration for building which houses Harriet Person Library
- 1993 Recon-level architectural survey of Claiborne County and survey of African-American historic sites. (These were done as a single project by John Hopkins and Associates.)
- 1992 Restoration work on building to house Harriet Person Library

12. Clarksdale Certified on October 3, 2003

- 2007 Completion of the survey and National Register nomination (begun with the assistance of a FFY 2006 CLG grant)
- 2006 Survey and subsequent preparation of a National Register of Historic Places district nomination for downtown Clarksdale
- 2004 Historic Resources survey of downtown Clarksdale

13. Cleveland Certified on January 23, 1996

- 2007 Development of Design Review Guidelines for the residential historic district know as the Founder's District
- 2000 Removal of aluminum and/or "Western" storefronts in the downtown historic district
- 1998 Development of Design Review Guidelines for downtown historic district
- 1997 Survey and NR nomination of downtown area

14. Columbia Certified on October 16, 2002

- 2008 Survey of Architectural and Historic resources and National Register nomination for the North Columbia Historic District
- 2006 Design Review Guidelines
- 2004 Historic Resources survey of locally designated historic district
- 2003 Historic Structures Report (preliminary) for the old City Waterworks building

15. Columbus Certified on January 5, 1996

- 2003 Architectural/Historical Survey of North Columbus
- 2002 Purchase and installation of historic district signage
- 1998 Development of Design Review Guidelines

16. Como Certified on April 30, 2004

- 2009 Design and purchase of signage for the Downtown Historic District
- 2005 Historic resource inventory survey and National Register district nomination of the Downtown Como locally designated historic district (21 buildings)

17. Corinth Certified on May 22, 1991

- 2010 Professional structural analysis of the Corinth Machinery Works Building
- 2009 Corinth creation of a Master Plan to preserve, repair and restore the Verandah House.
- 2004 Restoration work on Coliseum Theatre
- 2002 Help fund part of the Corinth Enhancement Plan
- 2001 Help fund the stabilization of the Corinth Machinery Building in preparation for its purchase and rehabilitation by a developer
- 2000 Restoration Work on the Coliseum Civic Center
- 1999 Historic Preservation and Tourism Master Plan
- 1998 Repair work on Curlee House ceilings
- 1996 Repair work to Curlee House columns and porch
- 1995 a. purchase of supplies for repairs to Curlee House columns and porch
b. repairs to Confederate Monument-award was refused due to insufficient funding
- 1994 a. Tax abatement study and implementation plan

- b. Historic Structure Report for Curlee House
- 1992 a. b. Survey and National Register nomination for Midtown Historic District by John Hopkins and Associates. Considered by Review Board 16 September 93; listed on National Register 23 December 93.
- c. Assistance to Historic Preservation Commission (provided by John Hopkins and Associates.)
- 1991 a. b. Survey and National Register nomination for Downtown Historic District by John Hopkins and Associates. Considered by Review Board 17 September 92; listed on National Register 28 Jan 93.
- c. Design review guidelines
- d. Training for Historic Preservation Commission

18. Durant Certified March 22, 2012
2012 \$1,497, to provide for caulking of the rood, repair of the basement entrance, and other minor repairs to stabilize the current condition of the Durant Depot.

19. Eupora Certified on March 23, 2006

2010 Survey and National Register District nomination of Eupora.

20. Friars Point Certified on October 6, 1997

2002 Rehabilitation work on the former St. Cecilia's Catholic Church, now owned by the City of Friar's Point
 2001 Purchase of a State of Mississippi historical marker for the Robinson/Slack/Marinelli House
 1998 Signage for historic resources

21. Gautier Certified on September 30, 2009

22. Greenville-Washington County Certified on May 3, 2009

2011 National Register District nomination
 2010 a. Survey of downtown Greenville
 b. Website for joint commission with commission minutes, agendas, etc as well as photos of all Mississippi Landmarks & National Register properties and Historic Markers in Washington County. Site will also have audio and/or video clips of interviews from the commission's Oral History Project.

23. Greenwood Certified on November 14, 1996

2008 Interior and exterior renovation of the Greyhound Bus Station
 2002 Help fund removal of the asphalt from a section of the original brick paving of Front Street located in front of the Viking Range corporate headquarters
 2000 Brochures explaining the procedures and benefits of historic preservation. **(Defaulted)**
 1999 Façade rehabilitation of Fire station #1
 1998 Removal of aluminum storefront coverings for 15 downtown buildings
 1997 Survey and NR nomination of neighborhood around Wesley United Methodist Church

24. Grenada Certified on June 4, 2007

2012 **\$10,500**, to begin window repair and install elevator electrical panels in the Masonic Temple and **\$2,110**, to conduct a Historic Resources Survey of approximately 118 buildings.
 2009 Restoration of electrical service to the National Register listed Masonic Temple

25. Hattiesburg Certified on June 13, 1988

2011 Survey and National Register nomination – Downtown / Hub City District

- 2009 Contracting with the National Trust for Historic Preservation, in collaboration with the City of Canton to address the problem of demolition by neglect. The consultant will consult with city officials, preservation professionals, property owners and interested citizens to provide specific recommendations for effectively dealing with problem buildings

- 1995 City-wide reconnaissance survey and historic context development (Phase I)
- 1994 Architectural survey of Belhaven neighborhood
- 1993 Survey and National Register nomination for the Poindexter Park neighborhood. (This was done by John Hopkins and Associates.)
- 1992 Brochure explaining historic preservation programs

31. Kosciusko Certified on December 2, 2003

- 2009 Phase I of a comprehensive rehabilitation of the Strand Theater. This phase will repair the deteriorated and leaking roof, any necessary structural repairs along the roofline and installation of new gutters, downspouts and flashing
- 2007 Preparation of a National Register of Historic Places district nomination for downtown Kosciusko based on a survey completed with the assistance of a FFY 2005 CLG grant as well as the Preparation of Design Review Guidelines
- 2005 Historic resources survey of the local historic district in Kosciusko consisting of approximately 525 structures
- 2004 Design of a new electrical system for the Mary Ricks Thornton Cultural Center

32. Laurel Certified on February 22, 1990

- 2012 \$1,250, to design, purchase and install twenty-five avenue banners from Lauren Rogers Museum of Art and Fifth and Sixth Avenue neighborhoods to historic downtown Laurel.
- 2011 Brochures, Downtown Historic District
- 1996 Newsletter for historic property owners and design and production of certificate to award outstanding work in preservation.
- 1993 Architectural survey of 450 buildings, concentrating on area north of existing Laurel Central Historic District. (This was done by Joan Embree.)
- 1990
 - a. Design Review guidelines
 - b. upgrading historic resources files

33. Leland Certified on October 31, 2000

- 2012 \$2,500, to purchase and install new street signs for intersections in the Leland Historic District.
- 2010 Historic district signage
- 2003 National Register of Historic Places district nomination based on the survey conducted with a 2002 grant
- 2002 Architectural and Historical Survey of the Leland Historic District

34. Lexington Certified on December 20, 2002

35. Louisville Certified on May 19, 2005

- 2006 Survey and possible National Register of Historic Places nomination of Louisville’s proposed local historic district.

36. Magnolia Certified on January 10, 2007

37. McComb Certified on June 10, 2004

- 2012 \$3,366, for the final phase of the States Area survey (approximately 204 structures). Previous sections of this large neighborhood have been surveyed with the assistance of prior CLG grant funds.
- 2011 Survey, States Area Phase II
- 2010 Survey of a portion of the States Area
- 2008 Design Review Guidelines
- 2005 Architectural and historical inventory survey of the Burgland and Edgewood areas of the locally designated McComb Historic District

38. Meridian Certified on June 7, 1985

- 2012 \$5,000, to complete a historic preservation and adaptive reuse plan for the city owned Brown Barber Shop building.
- 2010 Restoration of Zehler Monument fountain in Highland Park National Register Historic District
- 2007 Creation of a Historic Resources map layer and up-datable database for each of the resources in the Meridian Downtown Historic Preservation District which can be added to the City's existing GIS network
- 2005 Purchase and installation of bronze plaques on selected historic resources giving a brief history of each
- 2004 Feasibility study for the conversion of the Soule Steam Feed Works into the Mississippi Industrial Heritage Museum.
- 2003 Replacement of the roof on the F. W. Williams House, owned by the Meridian Restoration Foundation
- 2002 Re-Survey of the Urban Center and Union Station Register of Historic Places Districts
- 2001 Funding for professional in-depth training for the Meridian Historic Preservation Commission and the City's Architectural Review Board
- 2000 Installation of a smoke alarm/security system for the Dentzel Carousel House
- 1999 Municipal Building Historic Structure Report
- 1998 Repair work to exterior terra cotta of Municipal Building (Phase III)
- 1997 Repair work to exterior terra cotta cornice of Municipal Building
- 1996
 - a. Repair work to exterior terra cotta cornice of Municipal Building
 - b. Historic Structure Report for the E.H. Dial House
- 1995 Replacement of lower doors on Municipal Building for ADA compliance
- 1994
 - a. Revision of Historic Preservation Ordinance and printing of copies for distribution
 - b. Architectural survey of Rosehill, Meridian High School, and Southside neighborhoods, and preparation of National Register nominations for them
- 1993 Ongoing educational, planning, and survey activities.
- 1992
 - a. Ongoing educational, planning and survey activities.
 - b. Design guidelines
- 1991 Ongoing educational and planning activities in historic neighborhoods.
- 1990 Ongoing educational and planning activities in historic neighborhoods.
- 1989
 - a. Preservation plan for historic neighborhoods
 - b. Brochure about historic neighborhoods
- 1988 Educational and planning activities in historic neighborhoods.
- 1987
 - a. National Register nomination for Merrehope Historic District. (The survey was done, or at least begun, using FY 1986 funds; the nomination was written in 1987-88 using FY 1987 funds, submitted to Review Board and approved on 19 May 88, and listed on National Register on 19 September 88.)
 - b. Proposed amendment to Highland Park National Register nomination. (This was written and submitted; considered by Review Board on 19 Jan 89; revised and resubmitted; approved by Review Board on 21 September 89; but returned by the National Register office in early 1990 with recommendation that the properties instead be added to the Highlands Historic District. This has not yet been done.)
 - c. Two individual National Register nominations (These were for Wechsler School, listed 15 July 91; and the Meridian Waterworks, listed 26 July 89). (The original proposal had called for a third nomination, but only two were done.)

- d. Educational activities
- e. Research and brochure about Dentzel Carousel
- 1986 a. National Register nominations for five historic districts (East End, Highlands, Mid-town, Poplar Springs, and West End), and a survey in a sixth area (the Merrehope area). (The nominations were considered by the Review Board on 15 Jan 87, and the districts were listed in 1987. The survey for the Merrehope area was done using FY 1986 funds; its National Register nomination was later done using FY 1987 funds.)
- b. Walking tour brochure for historic properties in downtown area
- 1985 a. Architectural surveys and National Register nominations for five historic districts (East End, Highlands, Mid-town, Poplar Springs, and West End). (This also was the 1986 project, and is similar to what was proposed for 1984, so it is unclear precisely what was done in each of the three grant years. Apparently the survey was completed using FY 1985 funds, and the National Register work was done the following year.)
- b. Six historical markers
- 1984 (It is somewhat unclear exactly what the project was, since the proposal was for architectural survey work , but that appears to have been done, or largely done, in the 1985 and/or 1986 grant projects. Apparently the survey for the five districts was begun using FY 1984 funds.)

39. Moss Point Certified on July 24, 2009

40. Mound Bayou Certified on October 23, 1995

- 2012 \$2,301, to complete a survey and a National Register Historic District nomination of the Uptown Historic District.
- 2001 Continuation of the efforts to purchase and moth-ball the Mound Bayou Bank Building
- 2000 Acquisition and “mothballing” of the Mound Bayou Bank Building
- 1998 Interpretive signage for the historical significance of Mound Bayou

41. Natchez Certified on June 7, 1985

- 2011 “Living in Natchez” brochures for homeowners in local historic districts
- 2010 External repairs to Magnolia Hall
- 2008 Evaluate and repair damaged stucco on exterior chimneys Magnolia Hall (**Defaulted**)
- 2001 Preparation of a planning study for the future restoration and redevelopment of several National Register-listed buildings contained within the Natchez-on-top-of-the-Hill Historic District located in the 200 block of North Martin Luther King Street.
- 2000 Update of the redevelopment plan for the Natchez river front
- 1999 Digital photo inventory
- 1997 Downriver historic district NR nomination
- 1996 Production of Design Review Guidelines for all historic districts
- 1995 Purchase of and Historic Structure Report for US Old Post Office
- 1994 Survey and National Register nomination for Woodlawn Historic District
- 1993 Measured drawings and condition report for Natchez Institute and Memorial Hall
- 1992 Restoration of Auburn Billiard Hall (Phase II)
- 1991 Design review guidelines
- 1990 Restoration of Auburn Billiard Hall (phase I)
- 1989 Revised historic preservation ordinance and recommendations for changes to state enabling legislation for local historic preservation programs. (This was done in consultation with Stephen Dennis.)
- 1986 (Project was canceled. It had been proposed to provide design assistance to applicants for certificates of appropriateness).
- 1985 a. Design assistance to Main Street program
- b. Design assistance for applicants for certificates of appropriateness from the Architectural Review Board
- c. brochure explaining city's historic preservation program
- 1984 a. Short-term funding for the embryonic Natchez Main Street Program
- b. Downtown Development Data Base

- c. Walking tour guidebook
- d. Taped walking tour narratives

42. Newton Certified on January 10, 2007

43. Ocean Springs Certified on February 19, 1992

- 2009 Update Design Review Guidelines, originally developed in 1999
- 2003 Restoration of the nationally acclaimed Walter Anderson murals located in the City's Community Center
- 2002 Entranceway reconfiguration at Mary C. O'Keefe Cultural Center
- 2001 Purchase of specially designed historical markers for each of the city's eight historic districts and purchase of historic preservation reference literature for use by commissioners, city staff and officials.
- 1999 Preservation plan for old Ocean Springs High School
- 1998 Development of design review guidelines
- 1995 Update of city's architectural survey
- 1994 (Project was not allowable and was thus not funded. It had been proposed to do work on the Fort Maurepas replica.)
- 1993 (Project was not funded. An update of the city's architectural survey had been proposed.)
- 1992 Archaeological survey of Jackson County (with Pascagoula)

44. Osyka Certified on September 27, 2006

- 2007 Survey of historic resources in Osyka and the preparation of National Register of Historic Places nominations based on the survey

45. Oxford Certified on October 27, 1999

- 2012 \$2,500, to provide training for members of the Oxford Historic Preservation Commission and the Courthouse Square Historic Preservation Commission. The workshop will be conducted by the National Alliance of Preservation Commissions.
- 2010 Updating / redesign of Oxford's Design Review Guidelines
- 2009 Design, printing and distribution informational brochures to inform and educate the public and homeowners about the benefits and responsibilities of locally designated historic districts.
- 2008 Update previous survey and National Register nomination for the South Lamar Historic District
- 2004 Purchase and installation of two markers indicating the boundaries of the "North Lamar Preservation District"
- 2003 Printing, binding, and distribution of Custom Design Review Guidelines
- 2006 Re-survey and preparation of National Register District Nomination for North Lamar Boulevard

46. Pascagoula Certified on July 16, 1985

- 2010 Production of approximately 74 one-sided banners for historic district.
- 2009 Conduct a land survey, cleaning and fencing of the historic Grant Cemetery (**Defaulted**).
- 2002 Video and Oral History of Round Island Lighthouse
- 2001 Preparation of several individual National Register nominations for any eligible property in Pascagoula not currently listed on the National Register, including Bellevue (the Longfellow House)
- 1999 Survey and Inventory Update
- 1997 Interpretation exhibit development of the Old Spanish Fort
- 1995 a. Archaeological studies at Old Spanish Fort
b. Roof frame analysis and complete frame analysis for the Old Spanish Fort
- 1993 Phase I restoration work on Old Spanish Fort.
- 1992 Archaeological survey of Jackson County (with Ocean Springs)
- 1991 Brochure about historic resources
- 1990 Completion of National Register Multiple Property Submission
- 1988 (Project was not allowable and was thus not funded. A historical-genealogical study of early families had been proposed.)
- 1987 Work on National Register Multiple Property Submission

- 1986 Architectural survey (phase II): Properties 50 to 75 years of age. (This was done by Robert Cangelosi of Koch and Wilson, Architects.)
- 1985 a. Architectural survey (phase I): Properties more than 75 years of age (This was done by Robert Cangelosi of Koch and Wilson, Architects.)
b. Ten historical markers

47. Philadelphia Certified on February 19, 2004

2005 Design Review Guidelines

48. Port Gibson Certified on October 25, 1995

- 2006 Restoration of the rear half of the second floor interior of the Meyer-Marx Building to include flooring, ceiling, lighting and a dividing wall. **(Defaulted).**
- 2005 Restoration of the first floor interior of the Mississippi National Bank Building by repairing the plaster walls and ceiling in the main banking room
- 2004 Reconstruction of the original façade of the building at 217 Walnut Street based on historic photographs
- 2003 Removal and replacement of the flat roof on the rear addition of the City owned Old Mississippi National Bank Building
- 2002 Replacement of broken and missing windows at the City owned Old Mississippi National Bank Building
- 2001 Preparation of Design Review Guidelines
- 1997 Survey and NR nomination of African American neighborhood

49. Raymond Certified on August 6, 2003

- 2010 GIS Local District project with MDAH
- 2006 Design Review Guidelines
- 2004 Architectural and historic resources survey of historic properties located within the city's locally designated historic district. A National Register District nomination will also be prepared based on this survey

50. Ripley Certified on December 2, 2003

- 2006 Design Review Guidelines
- 2004 Restoration of the old Tippah County jail for use as a local archives building to house local historic materials and make them available to the public

51. Sardis Certified on April 8, 2010

52. Senatobia Certified on May 24, 2012

2012 \$1,900 to resurvey the approximately 270 structures in the Senatobia Historic District.

53. Sharkey County Certified on May 3, 2009

2010 Survey of Rolling Fork

54. Starkville Certified on March 4, 2011

2011 Design Review Guidelines and Resurvey of Overstreet School National Register District

55. Summit Certified on May 3, 2009

2009 Survey of Architectural and Historic structures within downtown Summit to assist the local CLG commission in determining historic district boundaries.

56. Tunica Certified on January 10, 2002

- 2004 preparation of a National Register of Historic Places District nomination based on a historic and architectural resources survey conducted in FFY 2002
- 2002 Architectural and Historical Survey of the proposed Tunica Historic District

- 57. Tupelo Certified on March 22, 2006**
- 2012 \$5,232, to complete a survey and a National Register Historic District nomination of a twenty-four block area of downtown Tupelo with approximately 189 structures.
- 2008 Conduct a feasibility study on the re-use of the Carnation Milk Plant Building to house the Oren Dunn Museum Collection.
- 58. Vaiden Certified on June 29, 2005**
- 2007 Preparation of a structural condition assessment report for the Old Vaiden High School

- 2003 Survey and National Register District nomination for the proposed Grove Street-Jackson Street District
- 2002 Amendment to the Uptown Vicksburg and the South Cherry Street National Register Districts
- 2001 Preparation of a series of brochures based on the city's new design review guidelines
- 2000 Development of Design Review Guidelines
- 1999 Historic Preservation Training Workshops
- 1997 Survey of Beulah Cemetery (Phase II)
- 1996 Survey of Beulah Cemetery
- 1995 Architectural survey (Phase V)
- 1994 A design review workshop
- 1993 (Project was not funded. Educational programs had been proposed.)
- 1992 African-American heritage study (by Nancy Bell; see 1988 project.)
- 1990 a. Architectural survey (phase IV): Bowmar Street and North Vicksburg
b. Study of enlargement of local historic district
c. partial exterior restoration of Planters Hall outbuilding
- 1989 a. National Register Multiple Property Submission Cover Document (This was first submitted to us in 9-90 along with individual nominations for the Blum House, the Rose Building, the Old Library, and Bethel AME Church. All of these except the Rose Building were submitted in final form in 2-92, approved by the Review Board on 21-5-92, and accepted by the NR office 30-7-92. The nomination for the Rose Building was submitted to us in 7-92, approved by the Review Board on 17-9-92, and listed 12-11-92.)
b. The city originally proposed to do a NR nomination for the "Speed Street Historic District," but they changed the project to do a nomination for the "South Drummond Street Historic District" instead. (In 9-90 draft nominations for both submitted, but due to problems, neither was submitted to the Review Bd.)
c. d. Architectural survey (phase III): South Drummond Street area and Bowman Street area
- 1988 a. (The city originally proposed to do a preservation planning study of the City's Af-Am. heritage, but the consultant failed to carry out the project; MDAH did not provide any grant funds for this activity.)
b. Architectural survey (phase II): Properties south of central business district in the area containing Pearl, Oak, Fairground, Dewitt, Speed, Klein, Hunt, Lake, and Marshall Streets, and part of Bowman and Washington Streets.
c. National Register nomination for the Uptown Historic District. (This nomination was written and was submitted to us in August 89, but the city requested that it not be processed at that time. It was later revised and resubmitted, approved by the Review Board on 20-5- 93, and listed on 19-8-93.)
d. Brochure about city historic preservation program

- 1987 a., b. The city originally proposed to do NR nominations for the "Uptown Historic District" and the "Speed Street Historic District" but after consultation with our office the project was changed to nominations for the "Harrison Street Historic District" and the "South Cherry Street Historic District." (These nominations were written and submitted; approved by the Review Board 19-1-89; and sent to the National Register office in Mar 89, but were returned in April 89 because insufficient context. No further action has been taken.)
- c. Educational activities
- 1986 a. Architectural survey (phase I): CBD and surrounding area. (Project completed Aug 87.)
- b. NR nomination for "Uptown Vicksburg Historic District" (A nomination was written for the "Old Town Historic District" and submitted to us on 16-9-87, but it had problems and was sent back for revision. It was resubmitted as an amendment to the Main Street Historic District, approved by the Review Board on 15-9-88, and listed on the NR 5-1-89.)
- c. Thematic group nomination for properties exhibiting the "Vicksburg Pierced Column." (This was written, submitted to the Review Board, rejected by them on 21 Jan 88, revised and resubmitted, approved on 19 May 88 and sent to the National Register office, but rejected by the National Register office and returned to us on 25 August 88.)
- c. Walking tour guidebook
- d. Design review guidelines
