OLD CAPITOL MUSEUM, JACKSON
NOVEMBER 7, 2014

*A .5 CEU credit is issued through
Mississippi College to those attending all
workshop programs.*

The United States and Mississippi were drawn into a world war. Natural disaster ravaged the fertile Delta counties. And a new, native art form was born in the blues.

The state's constitution was rewritten and adopted in 1890 to codify the privileges of white men and institutionalize the impediments to women and African American citizens.

The coming of the twentieth century saw great changes throughout Mississippi—social, economic, and industrial.
