Dear Ms. Self:

My staff has informed me of your meeting on Wednesday. Thank you for coming to present your ideas for improving and reforming the state's health insurance program. I appreciate your research and your input.

I will be working closely with Gary Anderson and the Mississippi Legislators during my next years as Governor to improve medical care for all Mississippians. Working together, we can build a health care system that is the envy of the entire nation.

I look forward to working with you in the future.

Very truly yours,

RONNIE MUSGROVE
