Dear Mr. Cochran:

My record strongly reflects my concern for the rights and needs of all Mississippians, including citizens with disabilities. We have worked to provide better access to medical care, to create more service options, to improve our schools and to provide better access to the State Capitol. Disabled Mississippians have the right to hold a job, make a living and build a life right here in Mississippi, just like anybody else.

I plan to work closely with all Legislators during my next four years as Governor to improve Mississippi. I want to make Mississippi an even better place to live, work and visit.

If I can be of further help, please let me know.

Very truly yours,

RONNIE MUSGROVE
