Dear Mr. Paslay:

Thank you for your letter regarding the welfare and happiness of the children of Mississippi. Citizens, like you, who are dedicated to our children's future will help insure our children have a great state in which to live.

Due to scheduling conflicts, I will not be able to attend the public meeting on March 13, 2000. In your letter, you stated the campsite was returned to the Corps of Engineers. The site was leased to the 4-H camp and was not a permanent site. If you are able to work with the county government and/or private businesses, another lease site should be able to provide the adequate area for another 4-H campsite.

If I can be of further help, please let me know.

Very truly yours,

RONNIE MUSGROVE
