Ms. Leeza Spiegl
142 Shooting Star Isle
Foster City, CA 94404

Dear Ms. Spiegl:

Thank you for your letter. Governor Musgrove asked that I research your request. It is always a pleasure to receive positive correspondence from people outside the state of Mississippi. Willie Morris is deeply missed by everyone, not just citizens of Mississippi. Your letter has been forwarded to a Mississippi historian, who is looking into this possibility and the appropriate way to apprise the federal administration of this request.

Very truly yours,

BRAD LITTON
