Mr. Coker left a message Friday 2/11 requesting the statute that makes teachers immune from lawsuits. He then called again and requested the citation via phone and a hard copy of the CODE by mail. I consulted w/ Jane Buttross who identified MISS. CODE ANN. Sections 37-11-57 (1972) and 11-46-9 (1972). I phoned Mr. Coker w/ these citations late Friday afternoon and am putting the hard copies in the mail today.

This case is closed.

Dear Mr. Coker:

Per your request, enclosed you will find a copy of the statutes concerning immunity of school personnel from lawsuits. As I told you on the phone Friday afternoon, if you are relying on these statutes in a legal matter, please provide them to your attorney.

If I may be of any further assistance, please contact me in the future.

Very truly yours,
