Dear Mr. Jackson:

Per our telephone conversation last week, I have enclosed a copy of SB 2488 (2000) that establishes new school accountability standards. I have also included a bill summary provided by the Mississippi Department of Education. Governor Musgrove signed SB 2488, which takes effect July 1, on May 22, 2000.

I hope this information will prove beneficial to your endeavors.

Sincerely,

Kelly Riley
