Dear Governor Campbell:

Thank you so much for the DVD, *The United States Capitol: A Vision in Stone*. I am looking forward to viewing the DVD and learning even more about the history of the Capitol and Congress.

It is with the continued support of people like you that we can continue to educate young Americans and hopefully inspire them into public service one day.

Again, thank you for the gift. If there is anything I can do to be of assistance, please feel free to contact me.

Very truly yours,

RONNIE MUSGROVE
