Dear Ryan,

Thank you for expressing your interest in serving the commission to study disability issues. Unfortunately, the participants had already been chosen when I received your letter. I have shared your information with my representative in this study, in case there is an opening in the future.

In the meantime, I would like to encourage you to set your goals high and strive for excellence. Your enthusiasm and love for life touches the hearts of everyone you meet and serves as an inspiration for many who share your disability.

Be sure to stay in touch and keep up the good work! Your father tells me you will be a great campaign manager someday. If I can be of further assistance, please do not hesitate to contact me.

Very truly yours,

RONNIE MUSGROVE
