Customs Officials
Barranquilla, Colombia

Dear Sirs:

Greetings from Jackson, Mississippi, USA. A group of Medical personnel from my state will be traveling to Barranquilla, Colombia to do humanitarian Medical working among people in need in your country. They will be bringing into your country medicine and medical supplies that will be used to provide free medical care for those people.

These medical supplies have been donated by Medical Companies from the State of Mississippi to the people of Barranquilla, Colombia. We would greatly appreciate your cooperation in allowing these medical supplies to be taken into your country. They will be used solely for the purpose of supplying greatly needed Medical care for your people.

Thank you for you kind cooperation and assistance as we try to help meet the needs of the people of Colombia.

Very truly yours,

RONNIE MUSGROVE
