Dear Mr. and Mrs. Ervin:

Please accept my personal congratulations on the recent birth of your quintuplets. Your lifelong commitment to these tiny miracles will be one of the greatest accomplishments of your life.

You have a long road ahead of you, filled with many challenging roles. You will be known as an authority, a friend, an educator, a mentor, and above all, “**Mom**” and “**Dad.**” Best wishes for an incredible journey.

Allow me to join my fellow Mississippians in celebrating your five beautiful blessings from heaven. Again, congratulations to you and best wishes for health and happiness.

Very truly yours,

RONNIE MUSGROVE
