HEROES AMONG "U.S."

Dear Mr. President--

In light of the tragedies over the past week, I would like to express my sincerest appreciation to you and members of your administration for the "Outstanding" job you are doing. I also give my condolences to those who lost their lives during this difficult time.

I think it would be a good gesture if your administration would consider honoring those of the Pennsylvania flight (United Flight 93) by awarding them the highest civilian "Medal of Honor" for their heroism in their part in bringing that flight down in a field in Pennsylvania and possibly saving hundreds of lives in the Washington, DC area. Please give this some serious consideration. I believe this gesture would mean a great deal to the American people.

Sincerely,

Mr. Tracy Kent Wrigley
