Dear Governor Ronnie Musgrove:

Everyone realizes that budgets are tight but the needs of foster =
children, welfare citizens and the homeless have to be met.

We, at Phillip Roy, Inc. specialize in publishing educational materials =
in the areas of Life Skills, Independent Living Skills, Employability =
Skills, and Academic Skills for young adults and adults who have a need =
for this knowledge.

Our materials are relevant to adult life but easy to understand. =
Because of the duplication rights the educational materials are =
cost-effective. They only need to be purchased once per center.

So by utilizing our curriculum materials your State can achieve relevant =
cost-effective educational materials, and your citizens have a chance to =
learn about subjects they want and need to know about.

Our web site is <http://www.philliprooy.com>

If you would like to receive a free catalog please: e-mail us at =
info@philliprooy.com or call us at 1-800-255-9085.

Thank you for taking the time to read this and if you would forward this =
letter to the staff that work with these clients we all would benefit.=20

Sincerely yours,

Phil Roy Padol
