Issue: I have a problem with unemployment

Street_Address: now live in California, but lived in Gulfport

City: gulfport

State: MS

Zip_Code: 39501

Message: I have a problem with unemployment of Miss. I got fired from a job, didn't apply for unemployment, went to work for a company part time with intent of going full time, the full time job didn't come about and ran out of money trying to find a job, had to go live with family and then unemployment said "since you left the part time job, regardless of you not being able to make enough money to pay rent or bills or even eat, you don't get unemployment". This is B.S. Someone, mainly the Governor should do something about this. I would like for someone from his office to contact me with information on how to help me. Thank you!

Bill
