Message: Hello,
I am working with the International Assoc. of Chiefs of Police and the Dept of Justice. We are the facilitators of a DOJ Grant that is aimed to improve the quality of juvenile justice in the US. Through conference seminars that we set up in local areas our hope is to provide coordination of services between state, local, and community-based agencies and to promote interagency cooperation in providing such services.

The seminar as well as the hotel accommodations is provided by the grant and is offered to those officials in your state that may be interested in attending.

Specifically what I need is a list of contact people, addresses, phone & fax numbers for the following agencies.

School Districts
Child & Family Services
Probation Agencies
Juvenile Courts
School Resources Officers' Associations

Thank you for helping me to locate the proper people so those registration announcements can be properly sent out.
