Below is a copy of an email I wrote in you inside you IHL form. However when I went to sent the form the "page cannot be displayed" came up.

If I have been blocked please let me know, like I said it is rude to ignore someone making a request.

COMMENTS/QUESTIONS: I have sent you a request concerning Dr. Horace Fleming, President of the University of Mississippi.

I want USM to pay its bills, I am owed \$7,790 for labor & materials plus profit and stolen tools.

I have been owed this money since 1991, when I was contracted for work completed.

I also expect and answer, it is rude to avoid a request of the magnitude.
