## Online Trading Updates

Tue 23 Apr 2002

### **Data Processing Decree reminds companies of obligations**

**Austria**

A recently published decree reminds data processors of their duty to keep their information in the Data Processing Register up to date, including information on themselves and on the nature of their processing activities. [Full text](#)

### **New rules for automated trading services**

**Hong Kong**

The Legislative Council has passed the Securities and Futures Ordinance, thereby consolidating 10 previously existing ordinances - some as much as 25 years old - and regulating the provision of automated trading services, including online trading. [Full text](#)

### **Controversial costs ruling in *Totalise* reversed**

**United Kingdom**

The Court of Appeal has reversed a controversial costs ruling made against discussion board operator Interactive Investor in *Totalise v Motley Fool Limited and Interactive Investor* because it refused to reveal the name of a customer behind allegedly defamatory postings. [Full text](#)
