

On Wednesday, April 10, 2002, from 7:30 a.m. to 5:00 p.m.
 The Army and Navy Club, 901 17th Street, N.W.
 Washington, DC

**If you are being asked to do more with less,
 Trust-Based Leadership has a solution.**

Learn How:

- Trust-Based, not fear-based, management is the key to success.
- To radically improve organizational performance.
- To achieve measurable improvement in employee performance and client satisfaction.
- To implement trust-based leadership approaches.

Who should attend?

- Any leader interested in creating breakthrough performance (20% above base line).

Expected Outcome:

- Each participant will develop an individual plan focused on achieving breakthrough performance within his/her own organization.

Bob Foxworthy with Monty Roberts, the "Real Horse Whisperer." Bob's work implementing **Trust-Based Leadership** with CSX Transportation and Tropicana Products, Inc. is discussed in Monty's latest book, **Horse Sense for People**.

Bob Foxworthy, the partner of Monty Roberts, has been helping organizational leaders since 1976

to create exceptional employee performance at firms like Hewlett-Packard, Ocean Spray, R.J. Reynolds, Exxon Corporation, Seattle Center and Conrail. Bob, whose degrees include a Master's in Counseling Psychology, developed ***Trust-Based Leadership*** to enable corporate executives and others to improve performance by replacing traditional "fear-based" management with "Trust-Based" leadership.
