

Good morning,

I am informing you all of my actions for the next two weeks. I will not send out a devotion due to intense study for my Electrical Exam on July 13. I am involved in an intense study course from [Mike Holt](#). I must spend the next two weeks packing in as much as possible. I am a little behind of my schedule of study but Mr. Mike is doing a tremendous job bringing it all together on video tapes. I must finish them.

I plan to resume the daily devotion in two weeks. May God bless each of you. I hope you will be patient with me.

The devotion is my life-blood to God early in the morning. I enjoy doing it. It is a tremendous learning experience. I so appreciate all your replies and comments. Many of you are such an inspiration to me.

In The Master's Service,

Bo Sullivan
