We had a very lovely night last night. I gave the team the certificates and they were floored and moved. I gave them the governor's regrets and good wishes and told them he had hoped to receive them but something came up. Thanks for trying to arrange this.

When he gets back from DC I am going to ask him to sign the plan so we can go ahead and get it off to NOAA. It will expedite the review and thus the money being cut loose to us.

thanks. call if you need anything.
