I was contacted by his sister in 1998 after she saw a case I worked on profiled on 48 Hours. (Tent Girl) Since then I have gone on to work here at the DoeNetwork as media director.

The family indicated to me that they have had a hard time with local law enforcement at various points. In fact....at one point they were told..."Trash takes care of trash."

I will be seeking alternative routes.

If possible....a brief write up in the local paper might help re-spark things in this case. I've written to a couple of local papers and have had no reply.

We've had quite a bit of luck over the past year:
