Dear Governor Fordice,

Just a quick note to thank you for your great work for the people of Mississippi. Even though I'm not a constituent, the decisions you make as Governor do have an impact on the rest of us around the United States.

I didn't know if it was possible to do so by email, but thought I'd utilize technology to possibly request a personally autographed photo. It would mean a great deal to me.

I use my hobby of collecting autographed photos of politicians to help my son understand the government, geography, political parties, etc.. He gets pretty excited when we get a new photo in the mail.

Thanks for your time and special attention to this request. Keep up the great work.
