Issue: Mississippi State Quarter Design

Street\_Address: 1900 Freetown Road

City: Vicksburg

State: MS

Zip\_Code: 39183

Phone: 601.634.8412

Organization: Vicksburg Coin Club

Position\_in\_Organization: member

Message: Governor,

I strongly encourage you to provide support and resources so that the State of Mississippi will have a active voice is deciding what design is used on the once in a lifetime 'Mississippi Quarter'.

As a parent of a 10 year old who has become an avid coin collector as a result of the statehood quarter program, I see firsthand how children perceive states based on these designs and how this interest leads to learning.

I feel that this program provides us an opportunity to shape the views of how this state is perceived throughout the nation.

Personally, I don't have any strong views for a design, but I do feel that we as Mississippians should make sure our voice is heard and provide a design that we, and our children for generations to come, can be proud of.

Thank you for considering this request.

Tom Osburn
