

Margaret Ann Crigler Park RFQ Q&A

Question	Answer
Has a construction cost / value for the project been established?	The project total is estimated around \$6-8M.
What is the anticipated contract term for the completion of the services described in the RFQ? (i.e. Schematic design, design development, construction documents for the park, stage area, and festival street are needed. The selected professional will also assist with bidding for sitework and the landscape service including approving nurseries and selected plants and overseeing the construction phase for Margaret Ann Crigler Park.)	Ideally the park will be completed in 2026. Schedule to be determined with selected contractor.
Will there be a pre-bid meeting / conference hosted for this RFQ?	No pre-conference is planned.
