

# The Medgar & Myrlie Evers Research Fellowship

*A partnership between the Mississippi Department of Archives and History  
and the Medgar and Myrlie Evers Institute*

The Mississippi Department of Archives and History (MDAH) is pleased to offer the Medgar and Myrlie Evers Research Fellowship to support scholarly research using the [Medgar Wiley and Myrlie Beasley Evers Papers](#) and [related materials at MDAH](#). The program seeks to nurture upper-level graduate student and faculty scholars at the beginning of their academic careers, to increase their life-long interest in history, and to promote continued academic and public appreciation of Medgar Evers' life and work, the Civil Rights Movement in Mississippi, and the struggle for human rights. One research fellowship with a stipend of \$5,000 will be offered to a graduate student enrolled in an accredited college or university.

The recipient is expected to be in residence for a minimum of two weeks during the summer to conduct research at the William F. Winter Archives and History Building in Jackson, Mississippi. At the conclusion of their stay, the fellow will be asked to give a presentation and submit a summary report on the fellow's research findings.

The stipend may be used to cover travel, accommodations, and other expenses during the recipient's time researching at the archives. (Ineligible costs include computer equipment, hardware, or software; childcare, and photo framing/matting.) The stipend will be paid in increments, with the final payment given upon submission of the summary report.

The Medgar and Myrlie Evers Institute and MDAH will have the opportunity to utilize the product(s) if they are deemed appropriate and of benefit to the sponsoring parties.

Please visit our [FAQ page](#) for more information about conducting research in the Medgar and Myrlie Evers Papers using the online catalog and at the William F. Winter Archives and History Building.
